

## Lifeguard Agreement

**Summary:** Ensures the safety of patrons of Stamford Bridge Community Pool (SBCP) by preventing and responding to emergencies.

**Minimum job requirements:** Provide copy of Lifeguard certificate and show evidence of maintaining skills and renewing qualification as required.

### **Duties and responsibilities:**

1. Maintains constant surveillance of patrons in the SBCP using whistle communication as outlined in EAP; acts immediately and appropriately to secure safety of patrons in the event of emergency.
2. Provides emergency care and treatment as required until the arrival of emergency medical services.
3. Presents professional appearance and attitude at all times, and maintains a high standard of customer service. Punctuality essential.
4. To wear appropriate lifeguard clothing, bare feet and accessible whistle.
5. No mobile phone usage pool side.

### **Specific duties at Stamford Bridge Community Pool:**

1. Open pool side door.
2. Test pool water with pool testing strip. Enter reading into pool testing record folder. If test is within recommended guidelines proceed to 3 if pool water is outside recommendations inform pool caretaker and do not let patrons into the pool. Pool will be closed until situation is resolved.
3. Remove pool cover. Lane swimming sessions require the lane marker rope putting in situ.
4. Open both pool side doors to allow access of the patrons from the changing rooms.
5. Collect any money if required.
6. At end of swim session reapply pool cover and ensure pool side is swept of excess water.
7. Lock pool side doors to changing rooms and ensure the pool hall lights are turned off.

Please read and then sign and date this agreement.
